“THE FALLEN & THE HERO”**

A CONCERT FOR OUR HEROES THAT CANNOT BE MISSED

With the conflict now being fought in Afghanistan and the tragic loss of life such a war brings, it is concerts like this one that people should stand, salute and support.

We are only to aware of the loss, not only of life, but also the tragic loss of limbs and other injuries, that we, the general public are unaware of.

It is only when the reports via modern day communications are relayed back to the UK we begin to see the trauma of seeing these brave soldiers returning from duty or, for those who have made the ultimate sacrifice, comes that much nearer home to us all.

The Charity Concert the ‘**The Fallen & the Hero**’ is a charity concert designed to raise money for two charities HELP 4 HEROES & The Royal Air Force Benevolent Fund.

The concert is being performed by the National Air Training Corp and other performers on the evening. The event is to take place at the Ware Drill Hall, Amwell End, Ware. I do hope that by reading this article will inspire both you & your friends to buy tickets for which will be a very memorable evening
